Priests of Namo Labelas
enjoy somewhat even
longer life spans than
that of other elves. They
are record keepers and
historians. They seek to
educate young elves with
wisdom they have gained
over their years, to aid
them in their lives
journey. Always seeking
to promote knowledge. His
priests will fall from his
grace lest they learn one
new lesson each day. They
among those who forever
protect their knowledge
from those who would use
it for evil.

History: The elder dwells
in Mandos, which is
westward in Valinor. He
is the keeper of the
Houses of the Dead, and
the Summoner of the
spirits of the slain. He
forgets nothing; and he
knows all things that
shall be, save only those
that lie still in the
freedom of Eru. He is
the Doomsman of the
Valar; but he pronounces
his dooms and his
judgments only at the
bidding of Manw. Working
with great effort and
over many, many moons,
Labelas Enorath was able

to give elves the
longevity they now enjoy.
Known also as Father
Time, He controls all
aspects of time and even
has the capability to take
it away from elves life
span. He records the
events of an elfs life
and seeks to educate
those who are not.
